**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I switched to Sonic for my internet provider as Comcast was costing me a minimum of 100\$ per month, which is way out of my price range. Broadband is critical for me as I am a student and we are required to use internet for classes.

Living in San Francisco, we are reduced to using Comcast as there is no other option for cable internet. ATT can't come through to our apartment, so if I didn't use Comcast I had to use Sonic, which goes through our phone line. It was the only way I could continue to have internet. Very frustrating.

Thank you for listening,

Sarah Gherini
